## *In the Works*

Tax dollars are not used for the “bells and whistles” often associated with public libraries. Private contributions and fundraising, managed by the Friends, enable our library to offer a higher quality of programs and services than would be otherwise possible.

Friends of the Walkersville Library, Inc. will continue to play an active role in supporting special events for the entire community.

## *What Friends Can Do*

Friends of the Walkersville Library, Inc. is a non-profit organization dedicated to enhancing library services through our fundraising and advocacy efforts. Friends raise awareness and help garner support for activities not ordinarily covered under the library's operating budget.

Through fundraising activities and tax-deductible private contributions and membership dues, Friends help support a variety of wonderful programs such as the Children's Summer Reading Program. Membership support helps make the Walkersville Public Library a special place in the community.
