A Trip
to the
Emmitsburg
Library
I am going to visit the library.
At the library I can look at books.
There are iPads at the library.
At the library there are people who can help me.
There are fun activities for me to do at the library.
There is a special place where I play and learn.
There is a friendly elephant named Ella at the library.
We read books and make fun crafts.
I use my library card to check out books.
I read the books at home. I take care of them and return them to the library when I’m finished so other kids can read them too.
Going to the library is fun! I can’t wait to visit again.
