At Your Library

A social story about visiting the Urbana Library
I am going to visit the library.
There are friendly people at the library who can help me. They are called librarians.
There are computers at the library. I can use them to find a book.
There are special places where I can play and learn.
I can share and take turns playing with other children.
There is a bathroom to use if I need to go potty while I’m at the library.
There are fun activities for me to do at the library.
The library has many storytimes. At storytime, a grownup will read a story.
I listen to the stories with other children.
I use my library card to check out books.
I read the books at home. I take care of them and return them to the library when I’m finished so other kids can read them too.
Going to the library is fun! I can’t wait to do it again.
